課題に対す るフィード バックの方 法	As assessment in this course is ongoing, we strongly recommend you keep up with your coursework throughout the semester. This includes being prepared for class and your active participation. Cooperate with the other students, and do your best to use the language covered in the textbook.	
学生へのメ ッセージ・ コメント	<p>The general skills you have developed through your time studying English will help you prepare for this class. You should also be aware of and able to talk about contemporary current events and issues in English.</p> <p>As this class aims to help you improve your discussion skills, you should be prepared to contribute your ideas, as well as listen carefully to others. Think carefully about the topics under discussion and how they relate to you and others. Spend time preparing outside of class if you are unfamiliar with a particular topic.</p>
